Dear Mr. Sass:

The above-referenced amendments are conditionally approved upon receipt of three clean copies prepared for incorporation. Please make sure the reference pages indicate that the information has been moved to the Confidential Binder located in the Public Information Center of the Division of Oil, Gas & Mining, Salt Lake City office.

The Division also requests clean copies of the following confidential documents: (1) May 24, 2004 Senulis report for the 2004 degas drill project, (2) June 22, 2005 Senulis report for the 2005 degas drill project, and (3) 2005 Raptor Fly-over Survey. The Division will add these additional copies to the Dugout Confidential Binder.

Please submit these copies by September 30, 2005. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans. A stamped incorporated copy of the approved plan will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan.

If you have any questions, please call me at (801) 538-5268 or Jerriann Ernstsén at (801) 538-5214.

Sincerely,

Pamela Grubaugh-Littig
